LOS ANGELES PUBLIC LIBRARY

Teens, would you like to earn \$100-\$5,000 in grant money to help your community? Ask about the **TEENS LEADING CHANGE** grant today!

Work with your Teen Librarian to envision, develop, and execute local community improvement projects. Teens will benefit from the support of external partners, community and peer mentors, and staff from the Library Foundation. As a result of participating in this project, you will:

- Increase your critical-thinking skills necessary to evaluate current social and political issues
- Gain experience for college & career (good for your resume and college application)
- Increase your knowledge and understanding of democracy, civics, and government
- Become an active community organizer, library user, and volunteer

Areas of Focus for Mini Grants may include: Voting rights, library advocacy, animal advocacy, environmental advocacy, citizenship, know-your-rights, information & technology literacy, and much more!

Get your project funded now! Attend Teen Council (Saturdays 1x per month) and find out how. Questions? ecalla@lapl.org

For ADA accommodations, call 213-228-7430 at least 72 hours prior to the event.
